

Wolfbait & B-Girls

A spanking-new resource for local Midwestern lines, including the owners' own collections, Bruiser and Brazen Judy, this spot looks like a designer's workshop and carries a rotating list of up-and-comers. The reasonably priced items include jewelry by Veronica Riley Martens, bags by Double D, and silk-screened sweatshirts by K & K Shirt. Everything is 20 percent off. **3131 W.
